KAS BANK N.V.

Anti-Bribery & Corruption Statement

KAS BANK N.V. ("KAS BANK") requires compliance with all anti-bribery and corruption laws across the jurisdictions in which it operates. KAS BANK will always protect its integrity by requiring the highest standard of ethical behaviour from its Board, employees, clients and third parties.

In line with this, neither KAS BANK or individuals may accept any form of (or attempt to) bribery and engage in corrupt practices.

Accepting, offering, paying or asking for bribes is not allowed. All business decisions regarding relationships are made on the basis of independence and objectivity. The same principles apply when entering relationships with third parties.

KAS BANK employees must report (attempted) bribery and corruption and KAS BANK facilitates this in a confidential manner. This way, KAS BANK protects the reputation of the organisation, its employees, clients and third parties.
